

# Where Do Resources on Prescription Drug Misuse and Abuse Live on [captus.samhsa.gov](http://captus.samhsa.gov)?

SAMHSA's Center for the Application of Prevention Technologies (CAPT) has developed numerous resources to support the prevention of prescription drug misuse and abuse. To access, go to:

- **Prevention Practice**, under **Targeted Prevention**: <http://captus.samhsa.gov/prevention-practice/targeted-prevention>. Resources include:
  - » **Archived Webinars**, such as:
    - Beyond the Warning Label: Identifying and Prioritizing Risk and Protective Factors for Non-medical Use of Prescription Drugs
    - What's the Prescription? Strategies and Interventions to Prevent the Non-medical Use of Prescription Drugs
  - » **CAPT Decision Support Tools**, such as:
    - Factors Associated with the Non-medical Use of Prescription Drugs: Using Prevention Research to Guide Prevention Practice
    - Strategies to Prevent the Non-medical Use of Prescription Drugs: Using Prevention Research to Guide Prevention Practice
  - » **Data Sources & Examples**, such as:
    - Sources of Consumption Data Related to Non-medical Use of Prescription Drugs
    - Sources of Consequence Data Related to Non-medical Use of Prescription Drugs
    - Other Sources of Data Related to Non-medical Use of Prescription Drugs
    - Sample State-Level Logic Models to Reduce the Non-Medical Use and Related Consequences of Opioids
- **Resources**, under **Grantee Stories**: <http://captus.samhsa.gov/access-resources/resource-types/grantee-stories>. Stories include:
  - Kentucky Meets the Gold Standard for Prescription Drug Monitoring Programs
  - New Jersey Shores Up Its Data on Older Adults and Substance Abuse
- **Resources**, under **T/TA Spotlights**: <http://captus.samhsa.gov/access-resources/resource-types/service-spotlight>. Spotlights include:
  - Building on Lessons Learned, Missouri Targets Prescription Drug Abuse on College Campuses
  - CAPT Takes Cohort-based Approach to Service Delivery
  - SAMHSA's CAPT Develops Important New Prevention Resources on the Non-medical Use of Prescription Drugs
  - SAMHSA's CAPT Helps States Address Non-medical Use of Prescription Drugs

[captus.samhsa.gov](http://captus.samhsa.gov) contains numerous resources developed by other agencies and organizations. To access, go to the Resources section, then search by "prescription drugs" in the Prevention Topics drop-down menu.
